Great Lakes NARCH Student Development Program College Summer Internship Application Materials:

1) Letter of Interest:

*Please address the following in your letter:

- What interest areas you have or examples of the types of projects you might be interested in pursuing and how these are important to Tribes
- The skills and abilities you would bring to the mentorship/internship
- Why the experience would be beneficial to your academic goals
- What areas you may need support i.e. computer technology, writing lab etc.

2) Please name awards, any recognition, and community service you have participated in either in the letter or as an attachment.

3) Please provide contact information for two academic references.

4) Copy of college transcripts, with current cumulative GPA. (They do not need to be official.)

5) Provide a sample of academic writing, such as an essay or report.

6) Students who are interested in initiating new internships will need to provide additional information: This will include a project abstract, (description) and an explanation of how their work would contribute to American Indian health research. Students will need to have a mentor. Their research projects must be reviewed and approved by the Great Lakes NARCH academic sub-committee.

You may submit your application materials by fax (715.588.3607), email, or regular mail to:

GLITC
Attn: Natalia Graf
PO Box 9
Lac du Flambeau, WI 54538
ngraf@glitc.org
715.588.1018

***If you are selected you will be required to fill out a W-9 form, complete various other paperwork and provide identification necessary for employment.**
