

WEBINAR

# Tribes are Public Health Authorities

Protecting Tribal Sovereignty in Times of Public Health Crisis

Friday January 22, 2021  
1:00-2:30pm CT

This webinar will explore the following topics:

- The inherent power of Tribes as sovereign nations to engage in public health activities.
- Federal recognition of Tribes as public health authorities.
- Strategies to reinforce Tribal public health authority to prevent infringement.
- Examples of Tribal exercise of public health authority.
